MAYOR WARNER: Due to public health and safety concerns related to COVID-19, and pursuant to Governor's Executive Orders, including, without limitation, Orders 202.1, 202.10 and 202.15, the Board of Trustees of the Village of Great Neck Estates will not be meeting in person until further notice. So welcome, everybody. The first order of
business is the Building Department. So everybody has seen the Building Department monthly report, and obviously things have tailed off tremendously since this pandemic has --

MS. DZIORNEY: Actually, there are things that have been picking up in the last -- in the last month.

MAYOR WARNER: It's a good thing. It says inspections, April, zero, Certificates of Completions, April, zero. It's the smallest amount of fees collected that I can remember in April. It's to be expected, but as some of us saw on -- phase one is building and construction which is going to be allowed -- hopefully it will be allowed in the county, this county, but I don't know when, and we'll find out as this week moves on. We'll get more instructions and the executive orders will come down and we'll understand what's allowed to happen in this county and, more importantly, to us in this village.

So, Tom, what's the process for entering the monthly report into the record?

MR. LEVIN: Well, all the Board has to do is, as you do, you always report that it's on file. I can put it up on the screen, but it has been distributed to the Board. I don't know if it has
been posted on the website.

THE CLERK: Yes. I asked her to -- excuse me. I asked the webmaster to, you know, do a link at each, you know, title, but she put it all on -- I'm not sure -- on the link of the agenda, I think.

MR. LEVIN: All right. Do you want me to put that on the screen, Mayor?

MAYOR WARNER: No, I don't think so.

MR. LEVIN: Then if the Board is satisfied with it and has no questions, you just have a vote to accept it, and if you have questions, this is the time to ask them.

MAYOR WARNER: Does the Board have any questions about the April monthly building report?

TRUSTEE HERSHENHORN: No, sir.

MAYOR WARNER: With that said, I'll make a motion that we accept this into the record, and the village administrator will take the vote.

MR. LEVIN: Do we have a second, please?

TRUSTEE HERSHENHORN: I'll second it.

Howard.

MR. LEVIN: Take the roll call.

THE CLERK: Trustee Ganzfried?

TRUSTEE GANZFRIED: I vote to accept the report.
THE CLERK: Okay. Trustee Oppenheim?

TRUSTEE OPPENHEIM: I also vote to accept the report.

THE CLERK: Trustee Hershenhorn?

TRUSTEE HERSHENHORN: Same.

THE CLERK: Deputy Mayor Farkas?

DEPUTY MAYOR FARKAS: Accept the report.

THE CLERK: Mayor Warner?

MAYOR WARNER: Accept the report.

THE CLERK: Five votes in favor, zero votes opposed and no abstentions.

MAYOR WARNER: Okay. So the next item on the agenda is the Public Works monthly report, which we've all gotten and read over. They've been busy keeping the park nice and clean because the park is seeing a lot of action, for a good reason, these past two months. Relatively under control. All the activities are locked up, are marked off, so that they can't be used. I'm talking about the playground. I'm talking about the tennis courts. I'm talking about the basketball courts.

The good news, potentially, is that we heard today from the governor, without anything official coming down, that tennis will be allowed again. So we're going to make every effort to get the tennis
Board of Trustees - 5/11/20

courts up and going by the weekend if that executive order is, in fact, true.

MR. GARVEY: Billy, that's outdoor tennis, correct?

MAYOR WARNER: That's the outdoor tennis courts, right.

MR. GARVEY: Okay.

MAYOR WARNER: Jeff and I will be scheduling a meeting, a conference call anyway, with the principals of New York Tennis tomorrow to find out where they stand and what their intentions are so we can get those courts open, as well.

MR. GARVEY: Okay.

MAYOR WARNER: Okay. So any questions about the monthly report from the Department of Public Works from the Board?

So I will make the motion that we accept this report into the record. I need a second.

TRUSTEE OPPENHEIM: I'll second it. Lanny.

MAYOR WARNER: Lanny seconds it.

Kathy?

THE CLERK: Yes.

Trustee Ganzfried?

TRUSTEE GANZFRIED: Yes. I vote to accept the report.
Board of Trustees - 5/11/20

THE CLERK: Trustee Oppenheim?

TRUSTEE OPPENHEIM: I vote to accept the report.

THE CLERK: Trustee Hershenhorn?

TRUSTEE HERSHENHORN: Same.

MAYOR WARNER: Deputy Mayor Farkas?

DEPUTY MAYOR FARKAS: Accept the Public Works report.

THE CLERK: Mayor Warner?

MAYOR WARNER: Accept the report.

THE CLERK: Five in favor, zero opposed and zero abstentions.

MAYOR WARNER: Okay. The next item is the Police Department, and we have our chief with us and we have one of our sergeants with us.

Any questions about the police report that we've seen?

They are out and about more than ever to really make sure that our residents are observing social distancing. They are staying safe. The very good news is that none of our officers have contracted this virus as yet, and hopefully they never do. It was always a concern from the beginning of this thing because a lot of law enforcement officers in the area have contracted it, and we had
one local sergeant, I believe he was a sergeant, from
the Sands Point department that passed from it. So
I'm very happy to announce that our department is all
healthy and doing a great job, as usual, doing what
they need to do to keep us safe, still responding to
calls, still doing all the work that they used to do,
but they're staying safe and helping us stay safe.

So any questions about the report from the
PD?

TRUSTEE HERSHENHORN: No. I just want to
personally echo, Billy, what you said. You guys are
always amazing, but to be running around and doing
your job under these circumstances -- we see the
police report. Things do not -- there is not less
activity. You guys are still very busy, and we
appreciate that.

And, Ernest, the same goes for you and your
whole crew and all the things -- I saw your guys
today, at least one of them, on his hands and knees
building -- you know, doing some landscaping work.

And so my hats off to all of the Police
Department, to your crew, Ernest, and, of course,
Kathy, to the entire office staff, especially you,
Kathy, coming into the office, as you have been,
under all of the circumstances, your personal
Board of Trustees - 5/11/20

circumstances and the national and international circumstances. You truly deserve a medal.

THE CLERK: Thank you, Howard.

CHIEF MORENO: Thank you, Howie. Thank you, Mayor.

THE CLERK: That was very nice of you.

MAYOR WARNER: I wouldn't want to leave out the court. The court has been working diligently in there and getting caught up with things and really organizing, so I wouldn't want to leave out that department, even though that department technically is not under our purview, but the judges are doing a great job. I meet regularly with them, technologically meeting, and they've got -- they're on top of things and trying to be very proactive about their business. So I thank them, as well, if they're listening, or if they're not listening, as long as it's in the record.

Okay. So that's it for police.

So the next thing is to authorize --

THE CLERK: You have to take a vote to accept it.

MAYOR WARNER: Okay. So take a vote, Kathy.

MR. LEVIN: We need a motion first, please.

MAYOR WARNER: I'll make that motion, that
we accept the April Police Department monthly report
into the record.

TRUSTEE HERSHENHORN: Second.

TRUSTEE GANZFRIED: I'll second that, Howard.

THE CLERK: Trustee Ganzfried?

TRUSTEE GANZFRIED: Yes. I vote we accept
the report.

THE CLERK: Trustee Oppenheim?

TRUSTEE OPPENHEIM: Yes.

THE CLERK: Trustee Hershenhorn?

TRUSTEE HERSHENHORN: Yes.

THE CLERK: Deputy Mayor Farkas.

DEPUTY MAYOR FARKAS: Yes.

THE CLERK: Mayor Warner?

MAYOR WARNER: Yes.

THE CLERK: Five in favor, zero opposed,
zero abstentions.

MAYOR WARNER: Okay. So one of the things
we continue to do, we did last month, was to extend
the 9:00 to 9:00 paid parking permits for the
municipal parking lot. There is no -- very, very few
businesses open there, and it just doesn't seem to
make sense to hit the store owners when they're
having some great economic hardship.
Board of Trustees - 5/11/20

So I'm going to make the motion to further extend the 9:00 to 9:00 parking permits.

MR. LEVIN: Mayor, if I may restate that, we don't have that particular resolution on the screen. It was just done today. So the motion would be to adopt the resolution in the form that was circulated to the Board earlier today.

MAYOR WARNER: Do I need to read it?

MR. LEVIN: You can, if you'd like.

MAYOR WARNER: Okay. I'll read it. I'll make the motion. The motion is by the Mayor:

Whereas, at its April 13, 2020 meeting -- except this is -- okay. This was from the April meeting, Kathy. This is the extension.

THE CLERK: Right.

MAYOR WARNER: Okay. So at its April 13, 2020, meeting, in recognition of economic hardships and other conditions related to the COVID-19 health and emergency restrictions, which have closed or limited retail and commercial operations of businesses in the village, the Board of Trustees granted an extension of 9:00 a.m. to 9:00 p.m. paid parking permits which would otherwise have expired April 20 to and including May 31, 2020, without additional fee.
Board of Trustees - 5/11/20

whereas, such conditions have continued to be present -- have continued to the present time and are likely to continue into the future, now, therefore, be it resolved that the 9:00 a.m. to 9:00 p.m. paid parking permits, which would have otherwise expired April 20, 2020, and which, therefore, were extended to and including May 31, 2020, without additional fee, be and hereby are further extended to and including May 31, 2020, without additional fee.

I need a second.

MR. LEVIN: I'm sorry, Mayor. Did we want to make that May 31 or perhaps that should be June?

DEPUTY MAYOR FARKAS: That should be June 30th.

MAYOR WARNER: Right. Extend to and including June 30, 2020, without additional fee.

DEPUTY MAYOR FARKAS: I'll second that motion.

MAYOR WARNER: Okay. Jeff seconds it. Kathy?

THE CLERK: Okay. Trustee Ganzfried?

TRUSTEE GANZFRIED: Yes, in favor. Thank you.

THE CLERK: Trustee Oppenheim?
Board of Trustees - 5/11/20

TRUSTEE OPPENHEIM: In favor.

THE CLERK: Trustee Hershenhorn?

TRUSTEE HERSHEYHORN: In favor.

THE CLERK: Deputy Mayor Farkas?

DEPUTY MAYOR FARKAS: In favor.

THE CLERK: Mayor Warner?

MAYOR WARNER: In favor.

THE CLERK: Five votes in favor, zero opposed, zero abstentions.

MAYOR WARNER: Next order of business is to authorize the general maintenance agreements with Jhacs Electric who maintain -- they maintain generators at Village Hall, at the police headquarters and Public Works Department.

That one has been on the web, right, Kathy?

THE CLERK: I'm sorry?

Yes. That's on the agenda.

MAYOR WARNER: Okay. So does somebody make the motion to approve me to sign that agreement?

TRUSTEE OPPENHEIM: I'll make the motion.

Lanny here.

MAYOR WARNER: Lanny makes the motion.

TRUSTEE GANZFRIED: I'll second it.

MAYOR WARNER: Ira seconds it.

THE CLERK: Trustee Ganzfried?
TRUSTEE GANZFRIED: Yes, in favor of signing.

THE CLERK: Trustee Oppenheim?

TRUSTEE OPPENHEIM: In favor of signing.

THE CLERK: Trustee Hershenhorn?

TRUSTEE HERSHENHORN: In favor.

THE CLERK: Deputy Mayor Farkas?

DEPUTY MAYOR FARKAS: In favor.

THE CLERK: Mayor Warner?

MAYOR WARNER: In favor.

THE CLERK: Five in favor, zero opposed, zero abstentions.

MAYOR WARNER: Okay. One item that's not on the agenda that I wanted to talk about now and see if we can get that approved is the Water Authority was extremely gracious in spending about $72,000 to put a new water main in our park before we did our pool and a pool and locker room rehabilitation a few years ago. On their dime -- we had a lot of problems in the water, some were before, and they put a brand new main in. During that project they ran into some sprinkler mains.

Was that it, Ernest?

MR. GARVEY: No, the two-inch PVC pipe that supplied the park and tennis courts with irrigation.
Board of Trustees - 5/11/20

MAYOR WARNER: They ran into that. They repaired that, and they have requested us, after negotiating with Bancker, which was the subcontractor on the job who fixed it, they have requested of us to split the cost to Bancker for that repair.

And what was the exact number, Jeff or Kathy?

DEPUTY MAYOR FARKAS: $5,165.24.

MAYOR WARNER: $5,165.24.

In speaking with -- Jeff, do you want to make your point?

DEPUTY MAYOR FARKAS: Yes. So the water main belongs to the village and belongs to the park. The Water Authority of Great Neck North replaced it at no cost to us. They spent over $70,000 in doing it, and I think that we should (inaudible) -- Tom, can you --

MR. LEVIN: I just muted them.

MAYOR WARNER: You beat me to it.

DEPUTY MAYOR FARKAS: The water authority spent more than $71,000 in providing a new water main to us, and I think that we could pay for the sprinkler line, which was an unmarked two-inch PVC pipe.

MAYOR WARNER: Well, at least half of it.
DEPUTY MAYOR FARKAS: Half of it. I'm sorry. Half of it.

MR. GARVEY: Billy, wouldn't it be $2,500 for us or would it be half -- you're talking $10,000 for eight hours of work. That's ridiculously high.

MAYOR WARNER: Well, let's authorize up to -- I mean, if we decide to do it, we can authorize up to the --

MR. GARVEY: In the scope of the work -- I'm not sure of the easement that we did. They were supposed to put everything back to the way it was before they -- when they opened up the park, when they did the dig. So I have no idea. I mean, that seems like a lot of money.

MAYOR WARNER: Okay. But --

MR. GARVEY: Also the fact we let them use our parking lot for over seven months.

MAYOR WARNER: Deputy Mayor Farkas' point is that they spent 71 grand and helped us fix the situation that was a grave problem the summer before, and his feeling is for good will, and really to make things right, that we make them whole, not the entire, but at least part of that cost to repair that two-inch PVC.

That's your point, Jeff?
DEPUTY MAYOR FARKAS: That's my point.

MAYOR WARNER: Does somebody want to make a resolution to spend up to that amount?

MR. LEVIN: Well, if you are going to do "up to," you're going to have to include a method to determine how much it's going to be.

TRUSTEE HERSHENHORN: Billy, do you mind if I just ask Ernest, Ernest, do you have strong feelings on not doing that for some reason?

MR. GARVEY: Well, because when it was brought up to me, when they hit the pipe, they told me they were going to take care of it, they were going to fix everything. So they never said that we were going to pay anything, any cost for the repair. They said they hit it, they were going to repair it. I thought we had something in writing if they came in and hit our pipes they would repair it, but it's up to you guys. I just think it's very high. That cost is very high for eight hours of work.

DEPUTY MAYOR FARKAS: Kathy, I just want to ask, is the bill 5165 or is the bill 2683?

THE CLERK: I thought it was $5,000. Let me just look at it.

MR. LEVIN: As I recall it was $7,000 something, and the water authority negotiated it down
Board of Trustees - 5/11/20

to the --

THE CLERK:  To the 5,000, right.

MR. LEVIN:  -- the 5,000 number.

MR. GARVEY:  So let me tell you I got a call from, I think, Mike Criscoli (phonetic) about a month-and-a-half ago, and he told me if we'd be willing to split the $5,000 to $2,500 a piece, and I said I can't make that call. That has to come from the Board. But now it's --

MR. LEVIN:  I just want to note that's not the proposal that we got from the water authority.

MAYOR WARNER:  Why don't we do this: There seems to be a little confusion as to exactly how much the water authority is requesting of us. So let's table this until the next meeting, and we can drill down and find out exactly how much they want from us, and then if we -- and if we decide that we want to pay it, then we can do it at the next meeting.

TRUSTEE HERSHEYHORN:  Good idea.

MAYOR WARNER:  Okay? Okay. So let's do that. We'll wait a month. We're not talking about a real lot of money. Every dollar is important. Every dollar we can save our budget and our taxpayer to me is worth it, so let's find out if we can find out exactly what they want and go from there.
Board of Trustees - 5/11/20

Is that acceptable to the Board?

TRUSTEE HERSHENHORN: Yes.

MAYOR WARNER: Okay. So let's move off of that.

We need a resolution, Tom, to adopt the March and April 2020 monthly reports.

THE CLERK: Do you want to do Jhacs Electric?

MAYOR WARNER: We did Jhacs Electric.

MR. LEVIN: Yes, we did.

THE CLERK: Oh, I'm sorry.

MAYOR WARNER: You took the vote on that.

THE CLERK: I'm sorry.

MAYOR WARNER: That's all right.

So the March and April -- or the March reports we had a live meeting.

THE CLERK: We did, but there was no vote taken on accepting that report at the April meeting, so we have to adopt both -- or accept both, rather.

MAYOR WARNER: So when you say "reports," we're talking about the buildings, the police and --

THE CLERK: No, no, the financials.

MAYOR WARNER: Oh, the financials. Okay.

So I'll make that motion that we -- well, so we missed --
THE CLERK: March.

MAYOR WARNER: We missed March. So we're going to do April, the one that's on the books now, and then we'll also, in the same motion -- can we do it in the same motion, Tom?

MR. LEVIN: Yes, you can.

MAYOR WARNER: Okay. So I'll make a motion that we accept both March and April financial reports -- March 2020 and April 2020 financial reports into the record.

DEPUTY MAYOR FARKAS: I'll second that motion.

MAYOR WARNER: Deputy Mayor Farkas seconds the motion.

Kathy?

THE CLERK: Trustee Ganzfried?

TRUSTEE GANZFRIED: Yes, in favor.

THE CLERK: Trustee Oppenheim?

TRUSTEE OPPENHEIM: In favor.

THE CLERK: Trustee Hershenhorn?

TRUSTEE HERSHENHORN: In favor.

THE CLERK: Deputy Mayor Farkas?

DEPUTY MAYOR FARKAS: In favor.

THE CLERK: Mayor Warner?

MAYOR WARNER: In favor.
Board of Trustees - 5/11/20

THE CLERK: Five in favor, zero opposed, zero abstentions.

MAYOR WARNER: Okay. So next we have -- I need a resolution to approve the April 13, 2020 meeting minutes. So I'll make that motion.

TRUSTEE GANZFRIED: I'll second it.

MAYOR WARNER: Ira seconds it.

Kathy?

THE CLERK: Trustee Ganzfried?

TRUSTEE GANZFRIED: Yes, accept the minutes.

THE CLERK: Trustee Oppenheim?

TRUSTEE OPPENHEIM: Accept the minutes.

THE CLERK: Trustee Hershenhorn?

TRUSTEE HERSHENHORN: In favor, accept the minutes.

THE CLERK: Deputy Mayor Farkas?

DEPUTY MAYOR FARKAS: Accept the minutes.

THE CLERK: Mayor Warner?

MAYOR WARNER: Accept the minutes.

THE CLERK: Five in favor, zero opposed, zero abstentions.

Tom, does the transcript have to get approved, as well?

MR. LEVIN: No.

THE CLERK: Okay.
Board of Trustees - 5/11/20

MR. LEVIN: I just want to remind you,
Mayor, there was also the issue of request to the
governor for extension of time on tax payments.

MAYOR WARNER: Okay. So that was something
that we briefly discussed. In order to allow our
residents to get a 21-day grace period for paying any
penalty on taxes, on village taxes, that are due
July 1, we need the mayor -- it can't come from the
village administrator or anybody else, it has to come
from the mayor -- to request of the governor that we
can move that 21 days for our residents to pay up to
July 22nd, I guess, Tom? Would that be the --

MR. LEVIN: I believe so.

MAYOR WARNER: Okay. To pay without any
penalty. And that penalty, if you don't pay July 1,
the first month penalty is five percent. So it's not
nothing. So anything we can do to help our residents
at this time I think is a good idea, but I need a
motion from the Board and a vote to allow me to ask
that of the governor.

MR. LEVIN: May I suggest the language for
the motion be that the mayor is authorized, pursuant
to the Executive Law and the Real Property Tax Law,
to request the governor to extend the time for
payment of village taxes, without penalty or
interest, for the maximum period of time allowed by law.

MAYOR WARNER: Sounds like a plan. I got somebody to make that motion?

TRUSTEE GNZFRID: I'll make that motion.

MAYOR WARNER: Ira makes the motion.

TRUSTEE OPPENHEIM: Lanny seconds.

MAYOR WARNER: Lanny seconds the motion.

Kathy?

THE CLERK: Trustee Ganzfried?

TRUSTEE GANZFRID: Yes, in favor of the motion.

THE CLERK: Trustee Oppenheim?

TRUSTEE OPPENHEIM: In favor.

THE CLERK: Trustee Hershenhorn?

TRUSTEE HERSHENHORN: In favor.

THE CLERK: Deputy Mayor Farkas?

DEPUTY MAYOR FARKAS: In favor.

THE CLERK: Mayor Warner?

MAYOR WARNER: In favor.

THE CLERK: Five in favor, zero opposed, zero abstentions.

MAYOR WARNER: Is there anything else I forgot?

THE CLERK: The abstracts?
Board of Trustees - 5/11/20

MAYOR WARNER: No, I didn't forget them. I just was going to move on to the abstracts.

THE CLERK: Okay.

MAYOR WARNER: Ira?

TRUSTEE GANZFRIED: I need a motion to ratify two abstracts -- well, actually ratify general abstract 201937, $98,263.54, those are for our contractual bills, and also to approve general abstract 201938 for $173,915.99 to pay our April bills.

THE CLERK: Second?

TRUSTEE OPPENHEIM: I second. Lanny.

MAYOR WARNER: Lanny seconds.

Kathy?

THE CLERK: Trustee Ganzfried?

TRUSTEE GANZFRIED: Yes, in favor.

THE CLERK: Trustee Oppenheim?

TRUSTEE OPPENHEIM: In favor.

THE CLERK: Trustee Hershenson?

TRUSTEE HERSHENHORN: Yes, in favor.

THE CLERK: Deputy Mayor Farkas?

DEPUTY MAYOR FARKAS: In favor.

THE CLERK: Mayor Warner?

MAYOR WARNER: In favor.

THE CLERK: Five in favor, zero opposed,
zero abstentions.

MAYOR WARNER: That concludes the agenda for tonight's meeting.

Is there anything from the Board that anybody wants to bring up in addition to that?

(No response.)

Okay. With that --

MR. LEVIN: Motion to adjourn?

MAYOR WARNER: I'll make a motion to adjourn.

MR. SHAVOLIAN: Hi. Jordan Shavolian.

Are we allowed to ask general questions from the public? I want to just inquire regarding the pool for this year, whether it's opening or not.

MAYOR WARNER: It's a great question. It's the question of the day, of the month, of the last two months. We can't -- we cannot proceed with anything until the governor allows us -- tells us that we can open up the pool. We are doing everything that we can to prepare for it without spending any kind of monies, in other words, filling the water -- how many gallons in that pool, Ernest?

MR. GARVEY: 258,000.

MAYOR WARNER: 258,000. But we are planning that if we get the nod to do it, that we can do it in
Board of Trustees - 5/11/20

a pretty quick manner. We have our park recreation
consultants ready to higher people. We are putting
our CPR training in place. So once that comes --
that order comes down, that the governor allows us to
open our pool, we will proceed as quickly as
possible.

MR. SHAVOLIAN: Is there any deadline on
that or --

THE CLERK: I'm sorry. Who is speaking,
please?

MR. SHAVOLIAN: Jordan Shavolian.

MAYOR WARNER: What's your address?

MR. SHAVOLIAN: Ten Ridge Drive West.

MAYOR WARNER: Now, what was your next
question?

MR. SHAVOLIAN: No. I was just asking if
there was a deadline on the pool, if you guys have,
like, any sort of deadline whereas if they don't give
you approval, that we're just going to shut it down.

MAYOR WARNER: We haven't spoken about it.
You know, we all have dates in our mind of what we'd
like. You know, I mean, I can't see us opening on
August 15th, if that's the kind of thing. I
certainly would like to get most, if not all, of July
in on this so at least we have two good months of
pool time.

There's certainly going to be a lot of regulations going on, if we do get the pool, for social distancing, for making sure everybody stays healthy. So there's going to be a lot of work going into it, but, you know, there's just no answers, no hard answers to any questions, until we get the nod from the governor.

MR. SHAVALIAN: Thank you.

MAYOR WARNER: You're welcome.

TRUSTEE HERSHENHORN: Jordan, the bottom line is we really want to open it as bad as you want us to, but we have to comply with all the laws, obviously.

MAYOR WARNER: Is there anybody else from the public that would like to ask a question?

MR. LEVIN: Everybody else in the public is on mute. We had one person we had to mute because they kept talking, but the others all muted themselves.

Does that still stand, the same thing, for camp? Will it be -- you know, if we got the green light from the governor to open things up, will
summer camp at Great Neck Estates happen or is that, like, a total not happening?

MAYOR WARNER: Well, that -- the village doesn't run the camp. The Day Camp in The Park, Inc., is a separate organization. Of course it's all residents and they run it, but that's also -- it's kind of in the same boat as the pool, I would guess, if that's going to be allowed to open, and, you know, they'll get their marching orders. If they can open and we can make it safe, you know -- I started that day camp, so I would love to see it up and running and the kids out and about, but it's a health and safety thing, and that's what the governor is putting first and foremost, and I'm not sure any of us can argue with that, but it's in the same boat as the pool, whether it can be allowed to open.

MR. LEVIN: Mayor, there's actually two levels, because first we have to see whether the village is allowed to have that in the park under whatever the rules are going to be this year, and then it will be up to the day camp whether it can comply with whatever rules apply to them and whether they want to go ahead and do that.

MAYOR WARNER: Right. It comes down to is it feasible, are enough people going to sign up,
right. So it's going to be our allowing them to have the day camp, and then it's going to be whether they can actually get it up and running to run the day camp. So there's two levels to that, as counsel has pointed out.

Is that okay? Does that answer your question?

MR. KERMANIAN: Yeah. Yeah. Thank you.

MAYOR WARNER: You're welcome.

Anybody else?

(No response.)

Okay. So somebody made a motion to -- I made a motion to adjourn.

TRUSTEE HERSHENHORN: I'll second it, Billy.

MAYOR WARNER: Howard seconds it.

Kathy?

THE CLERK: Trustee Ganzfried?

TRUSTEE GANZFRIED: In favor.

THE CLERK: Trustee Oppenheim?

TRUSTEE OPPENHEIM: In favor.

THE CLERK: Trustee Hershenhorn?

TRUSTEE HERSHENHORN: In favor.

THE CLERK: Deputy Mayor Farkas?

DEPUTY MAYOR FARKAS: In favor.

THE CLERK: Mayor Warner?
MAYOR WARNER: In favor.

THE CLERK: Five in favor, zero opposed, zero abstentions.

MAYOR WARNER: Just one more thing. I think that we -- I hope we -- the Board meeting next month is on the date that was originally planned, June 8th.

Is that correct, Kathy?

THE CLERK: Yes.

MAYOR WARNER: Is that okay? We had talked about moving it because I was actually going to travel, but I'm not going anywhere.

DEPUTY MAYOR FARKAS: You're not traveling, Billy?

MAYOR WARNER: Just to the park and back. That's about as far as I go.

MR. LEVIN: So the meeting was adjourned.

MAYOR WARNER: Okay.
