TENNIS

Tennis Sign-In Policy – All tennis players must wear proper attire: tennis sneakers, polo or tee shirts, shorts or athletic pants. Sleeveless shirts, jeans, rubber-sole shoes or sandals are **NOT** permitted. All tennis players must register at the tennis pavilion before entering the courts. Time slots are filled on a first-come, first-served basis until all courts are booked and cannot be reserved in advance. Two players must be present in order to sign in for a court. Singles and Doubles (regardless of the number of players) are permitted to play for **one hour**, with court time beginning on the nearest hour or half-hour. Newly arrived players shall have the next available court rights in the order of the arrival of their group. If more than one group of players arrives at the same time, the order of their court allocation will be made by the starter. No person can sign up for court time while already playing on a court, for more than one court at a time or for consecutive periods while others are waiting. After having been off the courts for at least 1/2 hour, players may sign up again and be assigned to next empty court, in the order of priority at the time of their registration. An empty court may be used for up to 1/4 hour without affecting rights to play in the subsequent period. If no one is waiting to play, current players may continue to use their court in half-hour increments. If players are not on the court within five minutes after their assigned playing time, they forfeit their priority.

Tennis Teams – Formation of any tennis team using the GNE tennis courts for matches and/or practice requires coordination with and written approval of the Head Tennis Professional and the Park Commissioner. A minimum of 80% of the players for the GNE team **MUST** be GNE residents. Names and addresses of each team member and dates for each home match **MUST** be submitted to the Head Tennis Professional **AND** Village Hall prior to use of the courts.

Responsibilities of Tennis Personnel -- Tennis instruction may be given by authorized tennis personnel only. The Park Director and supervisory personnel are authorized to determine special circumstances under which the courts may be closed to the general membership including playability conditions, tournaments, team practices or other special functions. In addition, the Park Director and supervisory personnel are responsible for the arbitration and settlement of all disputes, granting permission for tennis attendants to participate in resident games, and imposing restrictions on the number of times players may sign up if space is limited.

Tennis Guest Policy

Guests must play with the members who accompany them.. Limit of THREE (3) guests per resident, subject to the payment of appropriate fees.

BASKETBALL COURTS
